

Wood Windows & Doors

Custom Made in Germany by Master Craftsman

Wood is Beautiful

Our Wood series windows and doors are available in Oak, Mahogany, Meranti, Fir, Teak and Pine. Our custom made wood windows and doors are the answer if you are searching for a true to style Old World Look in your home, or if you are trying to combine sleek modern building lines with the warmth of wood.

Window Styles

From Classic Architecture
to Modern Design – Wood
is Flexible and Adaptable

The natural grains and color hues of different wood species lend their unique characteristics to compliment any architectural design, being classic or modern. Our state-of-the-art machinery, combined with the knowledge of proven wood working masters makes each window or door a piece of fine art.

Door Styles

Doors can be designed as Single Entrance Doors, Single Balcony Doors, French Doors, Double Entrance Doors, Lift & Slide Doors or Tilt & Slide Doors.

Security levels are from “burglarproof” to bullet resistant. We also have a Wood Panel available, which is tested and certified to a C 3 security level (.45 magnum pistol ammunition).

Lift & Slide Door

Balcony Doors

Lift & Slide Door

Main Entrance Door

Double Entrance Door

All wood is treated with insect protective and then finished to your specifications, be it in solid paint or with different stains.
